National Disaster Medical System (NDMS) Differential Pay Computation Worksheet

Instructions

- A separate GAO - 44 must be filed in accordance with SAAM 5531 for each state pay week for which NDMS pay is to be computed. The state pay week differs from the federal pay week.
- If there is a change to an employee's state or federal pay rates during the state pay week, a separate GAO - 44 must be filed for each pay rate.
- This form must be retained for a period consistent with the retention period of other payroll related documents.
- The federal pay rate is disclosed in Box 5 of the Civilian Leave and Earnings Statement; the state pay rate is contained in HRIS, screen HR11 (under the Pay tab).
