INTRODUCTION

The Government of the State of Arizona has a large number of assemblies, which are formally constituted and periodically convened, and which are comprised of persons who have been appointed to provide advisory, deliberative, consultative, administrative, executive, managerial, supervisory, oversight, governance, and/or investigatory services within their areas of expertise. Such an assembly may be known as a board, commission, committee or council, but, whatever its legal title, will be referred to as a “board” in this section of SAAM, and one who serves on a board, in other than a regular full-time or part-time employment capacity, will be referred to as “board member.”

This policy is adopted to ensure that all compensation and/or expense reimbursements paid to board members comply with the requirements of various taxing authorities.
