I want to sign this document using:

- My existing digital ID from:
  - A file
  - A roaming digital ID accessed via a server
  - A device connected to this computer

- A new digital ID I want to create now

Where would you like to store your self-signed digital ID?

- New PKCS#12 digital ID file

  Creates a new password protected digital ID file that uses the standard PKCS#12 format. This common digital ID file format is supported by most security software applications, including major web browsers. PKCS#12 files have a .pfx or .p12 file extension.

- Windows Certificate Store

  Your digital ID will be stored in the Windows Certificate Store where it will also be available to other Windows applications. The digital ID will be protected by your Windows login.
Add Digital ID

Enter your identity information to be used when generating the self-signed certificate.

Name (e.g. John Smith): Fred Flintstone

Organizational Unit: 

Organization Name: 

Email Address: fred.flintstone@gmail.com

Country/Region: US - UNITED STATES

Key Algorithm: 2048-bit RSA

Use digital ID for: Digital Signatures and Data Encryption

Add Digital ID

Enter a file location and password for your new digital ID file. You will need the password when you use the digital ID to sign or decrypt documents. You should make a note of the file location so that you can copy this file for backup or other purposes. You can later change options for this file using the Security Settings dialog.

File Name: 

Password: 

Confirm Password:

Finish
I certify that the information on this form is correct to the best of my knowledge.

Initial: 

I understand that if I elect a lump sum withdrawal from my retirement account, it may be considered a forfeiture of my retirement, and I will not be eligible for RSL.

I understand that for RSL purposes, I can only retire once per retirement plan and the total value received under this program, per person, per retirement system, cannot exceed $300,000.

I understand the first RSL payment is generally available within 60-90 days after a qualified, completed application has been received by the GA obsessed (GAS) and payments are subject to Federal, Arizona, Social Security, and Medicare taxes.

I understand that if I timely apply and the GAS has determined I am eligible for the RSL program, my RSL Benefits will be scheduled in 3 equal annual payments. I understand that RSL payments are subject to Federal, Arizona, Social Security, and Medicare taxes.

I understand my RSL Benefit will be calculated as follows:

\[
\text{RSL Benefit} = \left( \frac{\text{Usable sick leave hours at separation} \times \text{Hourly rate of pay at separation}}{1,500} \right) \times 20\% \times 50\%\]
