

## **New AFIS Inventory Management - Maximo System Log-in and Trouble Shooting**

As a New Maximo user, you will receive on different days two emails to support your efforts to gain access to the new system.

- The first email (subject: *New Maximo System Log-in Instructions*) provides system log-in instructions and the URL link to use in the Internet Browser to access the Maximo web page. This Quick Reference Guide is attached to this email.
- The second email (subject: New Maximo System Access) provides your temporary password to gain access to the system. See the content for this email below:

“Your temporary password has been created for the New Maximo Inventory Management System. You will be required to change your password after your initial logon. If you have questions please contact the ADOA Service Desk at 602.364.4444. Good luck!

Password: XXXX

**Note:** If you are logging in for the first time, click "Update Start Center" after changing your password.”

To access the system using the URL, your connection to the network may vary.

- If you access Legacy AFIS today using the State Network, you will be able to directly access New Maximo through the provided URL.
- If you use VPN to connect now, you will need to activate your VPN prior to accessing New Maximo with this URL.
  - Please note the deadline for the cutover to AZNET’s new VPN system is June 1, 2015.
  - Agencies need to make sure that they migrate from the current ADOA VPN platform to the new AZNET VPN platform.

This Guide will assist you with the following system log-in activities:

- Logging in to New Maximo Inventory Management System
- Changing your Temporary Password
- Changing your Password Hint
- Using the Forgot Password Link
- Changing your Password
- Trouble Shooting

## Procedure – Changing Password Hint

1. If this is the first time logging in, set up your password hint so that you can manage your own password.
2. On the Start Center (located on the top of Maximo screen), click **Profile**.
3. Click **Password Information**.
4. Enter *your current password*.
5. Select a question from the Password Hint drop down list.
6. Enter *your password hint answer*.
7. Click **OK** to successfully set up a Password Hint. You will now be able to manage your password if you have forgotten your password. See the next procedure for how to reset your own password using the Password Hint feature.

## System Log-in and Trouble Shooting

### Procedure – Using the Forgot Password Link

By setting up your Password Hint, you are able to reset your own password in Maximo. You should use this feature before your user ID becomes locked (because of too many bad password attempts). After 6 attempts, you will be locked out of the system and will be required to contact the ASET Service Desk to issue you a new temporary password. To use the Forgot Password Link feature, do the following:

1. Click **Forgot Your Password** link from the Maximo login screen.

The image shows the Maximo login interface. At the top left, it says "Welcome to Maximo" next to a large 3D nut icon. To the right of the icon are two input fields: "User Name:" and "Password:". Below these fields is a "Sign In" button. Further down, the "Forgot Password?" link is highlighted with a red rectangular border. At the bottom, there are links for "New User?" and "Register Now".

2. Enter your **Primary E-Mail address**
3. Select **Password Hint Question** from drop down menu.
4. Enter **your reply**.
5. Click **Submit**.
6. Your temporary password will be sent to your email address. When you log in next, you will be prompted to change your temporary password. See the procedure above for the steps to change your temporary password.

The image shows a "System Message" dialog box. It has a title bar that says "System Message". Inside the dialog, there is an information icon (a blue square with a white 'i') followed by the text: "BMXAA5820I - Your password has been reset. Please check your e-mail for your new password." At the bottom right of the dialog is an "OK" button.

## Successful System Access

Once you have successfully logged into Maximo, you will see your Start Center.

*Good luck with the new system!*

## Saving the Web Address

Now that you have verified your ability to access Maximo, it is suggested to add the URL to your favorites or save a link to your desktop. Instructions are given for Internet Explorer.

### Adding to Favorites While on the Maximo Home Page

<https://afis.az.gov/maximo>

1. Ensure you are on the correct web page URL (given on the above line)
2. Select **Favorites** then **Add to Favorites...** in the Task Bar at the top of the page
3. Enter a *name for the webpage* (e.g. *Maximo Login*) and select *a location for your Favorite to be saved*
4. Select **Add**
5. Verify the page was added by looking in the *Favorites* section of your task bar

### Adding an Maximo Link to your Desktop While on the Maximo Home Page

<https://afis.az.gov/maximo>

1. Ensure you are on the correct web page URL (given on the above line)
2. Select **File** then **Save As...** in the Task Bar at the top of the page
3. Browse to your Desktop, which will likely be located at the top left of your Navigation Pane or can be found by typing Desktop in the Search bar
  - a. You can save this link anywhere, we recommend the Desktop for simplicity
4. Enter *a Name for your link* (e.g. *Maximo Login*)
5. Minimize all applications so you can view your desktop and verify the link was added successfully

## Trouble Shooting

When calling the ASET Service Desk for assistance, identify that your system sign-in issue is with Maximo.

- URL does not work
  - When you find that you cannot access the system, you should contact your Agency Level 1 Support.
- Forgotten Password
  - This Quick Reference Guide provides instructions on how to establish a password hint when changing your temporary password. In this way, you are able to reset your own password.
    - You can request a password reset by contacting the ASET Service Desk at 602-364-4444. Note: If you call for ASET Service Desk assistance, only you can call to request a password reset; the temporary password will be emailed to your agency email address.
- Locked User
  - You have 6 attempts to enter the correct password before being locked out of the system. Once you are locked out, you must request a new temporary password from the ASET Service Desk.
    - Contact the ASET Service Desk at 602-364-4444.
- Incomplete user access
  - If you discover that you need additional or revised user security rights, use the UDOC process in New AFIS to request the revisions. If you need assistance with this, contact your Agency Level 1 Support resource.
  - If you believe that you have the right authorization and it appears not to be functioning, contact your Agency Level 1 Support resource.
