NOTES

Note 1:

A.R.S. 41-725 is applicable to Local Governments who meet the following: A county, city or town with a population of more than twenty-five hundred persons or any community college district and school district having a student count of more than six hundred pupils or a state university. This report based "Applicable" on the 2010 US Census population counts and the Arizona Department of Education student counts as of September 2013.

NOTE 2:

Each local Government is responsible for communicating and reporting to The Arizona Department of Administration (ADOA), General Accounting Office (GAO) their method of compliance with A.R.S. 41-725. The GAO is reporting what is being provided by each local government. The GAO has not verified all data, links or certifications. Local Governments that have joined OpenBooks can be at different stages in the process and may not have data available on OpenBooks.

NOTE 3:

Some local governments may have provided multiple compliance methods. Some Local Governments may have provided a link or information that may not be compliant with the Transparency statutory requirements. We have still provided the information so that it is available to the public.

See the OpenBooks website, Links page for the CAFR, Other Transparency Site and Other links at:
